La stanza dei coralli (Italian Edition) Valeria Munari

Un viaggio può iniziare per molti motivi.

Può capitare che due persone, lontane anni luce, si trovino a percorrere un pezzo di strada insieme, spinte dal sogno di qualcun altro.

Ciò che porta Christian e Cesare a collidere, perché di collisione si tratta, è il testamento spirituale di Dario, compagno gay del primo e figlio del secondo, escluso dalla vita di quest'ultimo dieci anni prima.

Così un giovane designer affermato e un vecchio padre stanco e chiuso in se stesso, accettano di portare in tre luoghi prescelti le ceneri di colui che entrambi hanno amato e perso, in modi e tempi differenti.

Ognuna delle tappe rappresenterà un momento di confronto inaspettato e a tratti violento, che porterà due mondi paralleli e lontanissimi a sfiorarsi e forse toccarsi, passando attraverso chiavi di lettura personali e tutt'altro che scontate.

A far da sfondo a questa distonica caccia al tesoro, un percorso che tocca luoghi che restano impressi nella memoria come ricordi infantili che sanno di mare, buona terra e fiori di ciliegio.

A volte anche le storie più banali mirano a sovvertire la placida prospettiva degli eventi.

Non ci sono i buoni e i cattivi, ma solo persone sospese in microcosmi auto riferiti, che cristallizzano certezze più o meno dolorose.

I due protagonisti si trovano a confrontarsi, loro malgrado, su un terreno accidentato, fatto di odio reciproco, amarezza, paura ed equivoci, il tutto alimentato da un “non detto” tenace e conclusivo, difficile da scardinare.

Servirà un viaggio per riequilibrare il senso delle cose, chilometro dopo chilometro, ora dopo ora, fino alla tappa finale.

Un luogo dove forse, un giorno, poter restare.

From reader reviews:

Emma Peterson:

Book is usually written, printed, or created for everything. You can understand everything you want by a e-book. Book has a different type. As it is known to us that book is important factor to bring us around the world. Alongside that you can your reading expertise was fluently. A guide La stanza dei coralli (Italian Edition) will make you to possibly be smarter. You can feel much more confidence if you can know about every little thing. But some of you think this open or reading a new book make you bored. It isn't make you fun. Why they might be thought like that? Have you seeking best book or ideal book with you?

Bryan Lopez:

What do you ponder on book? It is just for students since they're still students or this for all people in the world, the particular best subject for that? Merely you can be answered for that query above. Every person has several personality and hobby for each other. Don't to be pushed someone or something that they don't need do that. You must know how great along with important the book La stanza dei coralli (Italian Edition). All type of book are you able to see on many solutions. You can look for the internet options or other social media.

Frank Arnett:

Is it a person who having spare time then spend it whole day simply by watching television programs or just lying on the bed? Do you need something new? This La stanza dei coralli (Italian Edition) can be the respond to, oh how comes? It's a book you know. You are thus out of date, spending your spare time by reading in this new era is common not a geek activity. So what these textbooks have than the others?

Lashunda McCloud:

As a scholar exactly feel bored for you to reading. If their teacher inquired them to go to the library or make summary for some reserve, they are complained. Just minor students that has reading's spirit or real their leisure activity. They just do what the professor want, like asked to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. So , this La stanza dei coralli (Italian Edition) can make you truly feel more interested to read.
