The Mummy (Fantasy and Horror Classics) Jane Webb Loudon

Jane C. Loudon was an early pioneer of science fiction. Published anonymously when she was just twenty, *The Mummy* is a defining early text of the genre. Many of the horror stories of monsters and ghouls, particularly those dating back to the 1900s and before, are now extremely scarce and increasingly expensive. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
