Translating Official Documents (Translation Practices Explained)

Roberto Mayoral Asensio

Translating Official Documents (Translation Practices Explained) Roberto Mayoral Asensio

Official translations are generally documents that serve as legally valid instruments. They include anything from certificates of birth, death or marriage through to academic transcripts or legal contracts. This field of translation is now as important as it is fraught with difficulties, for it is only in a few areas that the cultural differences are so acute and the consequences of failure so palpable. In a globalizing world, our official institutions increasingly depend on translations of official documents, but little has been done to elaborate the skills and dilemmas involved.

Roberto Mayoral deals with the very practical problems of official translating. He points out the failings of traditional theories in this field and the need for revised concepts such as the virtual document, pragmatic constraints, and risk analysis. He details aspects of the social contexts, ethical norms, translation strategies, different formats, fees, legal formulas, and ways of solving the most frequent problems. Care is taken to address as wide a range of cultural contexts as possible and to stress the active role of the translator.

This book is intended as a teaching text for the classroom, for self-learning, or for professionals who want to reflect on their practice. Activities and exercises are suggested for each chapter, and information is included on professional associations and societies across the globe.

From reader reviews:

Ray Davis:

As people who live in often the modest era should be up-date about what going on or info even knowledge to make these individuals keep up with the era which can be always change and progress. Some of you maybe can update themselves by looking at books. It is a good choice for you but the problems coming to a person is you don't know which one you should start with. This Translating Official Documents (Translation Practices Explained) is our recommendation to make you keep up with the world. Why, as this book serves what you want and need in this era.

Shawn Marsh:

Nowadays reading books are more than want or need but also work as a life style. This reading routine give you lot of advantages. Advantages you got of course the knowledge the actual information inside the book this improve your knowledge and information. The details you get based on what kind of e-book you read, if you want have more knowledge just go with schooling books but if you want really feel happy read one using theme for entertaining like comic or novel. Typically the Translating Official Documents (Translation Practices Explained) is kind of publication which is giving the reader erratic experience.

Valentin Gonzalez:

The reason why? Because this Translating Official Documents (Translation Practices Explained) is an unordinary book that the inside of the e-book waiting for you to snap that but latter it will shock you with the secret the idea inside. Reading this book close to it was fantastic author who else write the book in such incredible way makes the content on the inside easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this anymore or you going to regret it. This phenomenal book will give you a lot of gains than the other book include such as help improving your skill and your critical thinking approach. So , still want to postpone having that book? If I have been you I will go to the guide store hurriedly.

Ellis Dunn:

This Translating Official Documents (Translation Practices Explained) is great publication for you because the content which can be full of information for you who also always deal with world and have to make decision every minute. This specific book reveal it facts accurately using great manage word or we can point out no rambling sentences inside it. So if you are read the idea hurriedly you can have whole facts in it. Doesn't mean it only provides you with straight forward sentences but tough core information with splendid delivering sentences. Having Translating Official Documents (Translation Practices Explained) in your hand like obtaining the world in your arm, information in it is not ridiculous one. We can say that no book that offer you world inside ten or fifteen second right but this book already do that. So , this really is good reading book. Hey Mr. and Mrs. stressful do you still doubt in which?
