"*Beyond Crisis* is full of compelling reasons, clear advice and practical models to help almost any enterprise remain viable beyond the deeply unsettling systemic failures that characterise today's business environment."

—**Professor Richard David Hames, Dhurakulpon University, Founding Director Asian Foresight Institute**

"We are in uncharted territory. There are few people who any longer think that the world post-crisis will be anything like the world before. Ringland, Sparrow & Lusting provide a clear description of the way that leaders need to think in this new reality. In doing so, they give us hope."

—**Estelle Clark, Business Assurance Director, Lloyds Register**

The next decade will present organisational challenges on an unprecedented scale.

*Beyond Crisis* shows how you can build a 'purposefully self-renewing organisation' which will survive and succeed in the midst of this chaos. The book shows how financial and economic crisis has blighted organisations in every sector, and then provide a range of tools and future scenarios for diagnosing problems and creating solutions.

This is a welcome dose of clarity in uncertain times.
