Abby doesn't remember what happened the night she woke up in soot-stained clothes, lying next to a burning building with an unfamiliar boy at her side. But her connection with Sam is immediate and intense. And she has no one else: no family, no home, not even a last name. She and Sam start a new life, just the two of them, and Abby's deliriously happy. Until memories from her past begin to haunt her?—?and suddenly everything she's learned to love turns sinister. It's only a matter of time before her reality cracks apart.
