**A hilarious memoir about the ending of a marriage that should have lasted forever-or at least for five years.**

It's an age-old story. Girl meets boy. Girl marries boy. Girl decides she is way too young to be stuck in nuptial mediocrity.

When Sascha realized that the one person she didn't want at her thirtieth birthday party was her husband, she knew that it was time for the relationship to end. So, like the hordes of others of her generation for whom starter marriages are as common as Louis Vuitton knock-offs and \$5 Starbucks lattes, they got divorced. With wit, moxie, and honesty, Sascha spills about the horrible ex-boyfriends, awkward dates, drugs, a near-death experience, and memories of growing up in an unconventional household that led to her short-lived marriage.

A story of love, loss, a flat-screen TV named Ruby, and plenty of misguided decisions, *How to Get Divorced by 30* is a hysterical look at what exactly "Til death do us part" means today.
