La formation initiale des enseignants en Europe : convergences, divergences, évolutions (Les Colloques de l'IREA) (French Edition) Sous la coordination de Jean-Luc Villeneuve

Le 16 juin 2010, l'Ir  a a organis   un colloque « la formation initiale des enseignants en Europe : convergences, divergences,   volutions ». Les syst  mes   ducatifs des diff  rents pays europ  ens pr  sentent des organisations, des modes de fonctionnement, des objectifs encore tr  s diff  rents d'un pays    l'autre. La dur  e des   tudes, le statut des enseignants, la part des stages, la place du disciplinaire, le d  crochage ou non entre le premier et le second degr  , ...autant de points qui ont   t   abord  s. Apr  s des conf  rences introductives sur l'  tats des lieux tant en France que dans les autres pays europ  ens -en particulier en Allemagne, Finlande ou au Royaume- Uni -, trois tables rondes ont r  uni une quinzaine d' universitaires et, de chercheurs, fran  ais et   trangers, qui ont d  battu autour de trois grands axes : - les relations entre les syst  mes   ducatifs et les les mod  les de formation, - les   volutions r  centes dans les formations professionnelles , - les pratiques dans la formation :   volution et diff  rences culturelles. La th  matique de ce colloque, les interrogations ou critiques d  velopp  es, demeurent plus que jamais d'actualit   et pas uniquement dans l'hexagone.
