With 8 million students in Grades 4–12 struggling to read on grade level, effective comprehension instruction is a top priority for middle and high school teachers. This teacher-friendly supplemental textbook fully prepares current and future educators to help all students "read to learn." With a strong emphasis on teaching a wide variety of struggling readers, this concise introductory text gives educators research-based knowledge on reading comprehension and the practical instructional techniques they need to explicitly teach comprehension skills. The ideal foundational text on comprehension—and a great resource for in-service educators—this accessible volume equips teachers with the critical background knowledge they need to strengthen every reader's confidence and competence.

GET TEACHERS READY TO

- Understand why some students struggle with comprehension
- Improve the comprehension skills of students with learning disabilities and English language learners
