"Lots of times when people ask me about my hobbies or interests, I'll include 'thinking,'" writes Mary Ellen Edmunds, known affectionately to her friends by her initials, "MEE." MEE Thinks is a delightful journey through many of these musings. In it, Mary Ellen shares her thoughts on topics from balance to the Big Bad Wolf, inviting readers to think for themselves about materialism and spontaneity and miracles and keeping promises and a host of other ideas. "I hope something I share will spark an idea in you and give you a good thinking experience," the author says. "Enjoy the Ride!"
