Nightlife: Night Terrors Matthew Quinn Martin

Three amazing horror tales in one chilling bundle...the only thing you won't fear is the price!

Enter a world where the streets crawl with unimaginable demons, and a monster can lurk behind every friendly face. Matthew Quinn Martin first terrified horror fans with *Nightlife*, the captivating story of two unlikely monster hunters determined to save the city of New Harbor from the Night Angels—bloodthirsty creatures that feed on the forgotten. Jack Jackson and Beth Becker are among the few who can see these creatures for what they really are, but as they hunt the creatures, a mysterious organization known only as The Division is hunting *them*.

In the novella *Hazardous Material*, we get a glimpse of The Division's origins and aims when a young man stumbles onto a long-abandoned video arcade—which three decades ago was the site of the largest mass shooting in New York history—and unwittingly uncovers a relic of unimaginable power and mind-altering terror.

And in the never-before-released *As the Worm Turns*, Jack and Beth are back, along with their faithful dog, Blood. For months they've been keeping just one step ahead of The Division, whose enigmatic leader has been pursuing them with the single-minded obsession to capture them by any means necessary. But as Jack and Beth continue their quest to rid the world of the creatures once and for all, they find themselves facing off against something even more terrifying than the Night Angels—something that could hold the key to humanity's salvation...or its doom.
