This book addresses many essential issues concerning the split between the followers of Ahlul Bayt and the followers of Ahlul Sunnah. Transcending the historical, the author focuses on historical aspects in the genesis of adherence, stressing the esoteric foundation of Shi's Islam, as opposed to the exoteric foundation of Sunni Islam which forces its followers to find spirituality in various Sufi orders. This book is one of the many Islamic publications distributed by Ahlulbayt Organization throughout the world in different languages with the aim of conveying the message of Islam to the people of the world. Ahlulbayt Organization ([www.shia.es](http://www.shia.es)) is a registered Organization that operates and is sustained through collaborative efforts of volunteers in many countries around the world, and it welcomes your involvement and support. Its objectives are numerous, yet its main goal is to spread the truth about the Islamic faith in general and the Shi'a School of Thought in particular due to the latter being misrepresented, misunderstood and its tenets often assaulted by many ignorant folks, Muslims and non-Muslims. Organization's purpose is to facilitate the dissemination of knowledge through a global medium, the Internet, to locations where such resources are not commonly or easily accessible or are resented, resisted and fought!
