**The One and Only Rattlesnake Bomber Base: Pyote Army Airfield in World War II** Thomas E. Alexander

In a remote corner of West Texas in 1942, the dreaded western diamondback rattlesnake was awarded the unique distinction of having a mighty airfield named in its honor. Although the installation originally bore the official title of Pyote Army Airfield, the massive quantity of serpents encountered during the construction of the base quickly earned it the nickname of "The Rattlesnake Bomber Base." For the thousands of military men and women who served on the airfield and the additional thousands of civilians who worked there, what is now only a ghostly ruin will always be a vibrant and undying monument to a brief time when men and snakes and giant silvery bombers all came together on the West Texas desert to share a legendary chapter of American history. *The One and Only Rattlesnake Bomber Base* tells the story of what happened when an American bomber base aptly named for a serpent arose, Brigadoon-like, from the sun-baked caliche desert located just east of the fabled Pecos River and just west of nearly every place else. Although the huge airfield was eventually to sprawl over nearly three thousand acres of Texas hardscrabble, its important and colorful history should by no means be considered merely a regional wartime episode. What happened at Pyote, Texas, before, during, and after World War II represents instead a microcosm of what took place all across the North American continent.

#### **Robert Wilkerson:**

That e-book can make you to feel relax. This specific book The One and Only Rattlesnake Bomber Base: Pyote Army Airfield in World War II was bright colored and of course has pictures around. As we know that book The One and Only Rattlesnake Bomber Base: Pyote Army Airfield in World War II has many kinds or style. Start from kids until young adults. For example Naruto or Investigator Conan you can read and feel that you are the character on there. Therefore not at all of book usually are make you bored, any it makes you feel happy, fun and rest. Try to choose the best book for you personally and try to like reading in which.

#### **Gilbert Phillips:**

As a student exactly feel bored to help reading. If their teacher inquired them to go to the library in order to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their passion. They just do what the teacher want, like asked to go to the library. They go to presently there but nothing reading very seriously. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever we really wish for. Likewise word says, many ways to reach Chinese's country. Therefore , this The One and Only Rattlesnake Bomber Base: Pyote Army Airfield in World War II can make you really feel more interested to read.
