Breve historia de las religiones (B de Books) (Spanish Edition) Fernando Orbaneja

Breve historia de las religiones es una suerte de manual de uso popular sobre las distintas creencias, las religiones más importantes y las no creencias. A partir de la idea de que la búsqueda de la verdad es una inquietud universal, de todos los tiempos y de todas las culturas, y evitando centrarse en las religiones vigentes en la actualidad para analizar también las que fueron importantes e influyeron en las actuales pero han desaparecido. Además de ahondar en las dudas y diferencias, Orbaneja analiza los orígenes y hace un repaso por la evolución de las distintas religiones en las grandes civilizaciones a lo largo de la historia de la humanidad, Mesopotamia, pasando por las no creencias, el gnosticismo y el ateísmo, para concluir con un apartado útil a modo de resumen: una recopilación de los aforismos más significativos de las diferentes creencias.
