Brothers Grimm

A fabulous collection of 52 of the classic Brothers Grimm fairy tales. The tales in the book have been profusely illustrated in black and white and many coloured plates with the brilliant, whimsical illustrations of Helen Stratton. Pook Press celebrates the great Golden Age of Illustration in children's literature. Many of the earliest children's books, particularly those dating back to the 1850s and before, are now extremely scarce and increasingly expensive. Pook Press are working to republish these classic works in high quality, colour editions, using the original text and artwork so these works can delight another generation of children.
