**The Country of the Pointed Firs (The Art of the Novella)** Sarah Orne Jewett  
...it was touching to discover that this lonely spot was not without its pilgrims.

The story of an endearing, unlikely friendship set against the backdrop of a remote and beautiful Maine coastal town, *The Country of Pointed Firs* is one of Sarah Orne Jewett's most loved works, and it quickly earned her a reputation as a talented writer upon its publication. Praised by Alice Brown for its "idyllic atmosphere of country life," Jewett's moving novel shows her intimate understanding of New England and its unique inhabitants, whose prickly exteriors often concealed a warm and loyal nature.

Willa Cather (*My Antonia*, *Death of The Archbishop*) remarked that *The Country of The Pointed Firs* was one of three American books destined for immortality, placing it beside Nathaniel Hawthorne's *The Scarlet Letter* and Mark Twain's *The Adventures of Huckleberry Finn*.

## **The Art of The Novella Series**

Too short to be a novel, too long to be a short story, the novella is generally unrecognized by academics and publishers. Nonetheless, it is a form beloved and practiced by literature's greatest writers. In the Art Of The Novella series, Melville House celebrates this renegade art form and its practitioners with titles that are, in many instances, presented in book form for the first time.
