Josie was touched that her brothers had arranged a holiday for her-she certainly needed one. Only, the location isn't the lively resort she'd expected, but a rustic cabin in a beautiful but isolated Australian idyll....

Her only neighbor for miles is the taciturn, if incredibly attractive, Kent Black. Following a family tragedy, Kent cut himself off from the world. Josie can't help but be intrigued by this solitary man, and with her bubbly, warm personality, she's determined to pick away at the iron padlock around his heart.
