USA TODAY bestselling author Kathryn Shay spent five years riding fire trucks with a large city fire department, eating in their firehouses and interviewing hundreds of America's Bravest. Read the novels that resulted from her intense relationship with firefighters! "Inspiring and emotionally invigorating...a true hero's tale." RT Book Reviews Three firefighters from the Malvaso family are trapped in a burning building and almost lose their lives. After they are rescued, they decide to change the way they've been living. Mitch, the eldest, wants to make some decisions about his dysfunctional marriage and spend more time with his kids. Jenn decides to have a baby—with her best friend, Grady. And Zach, the bad boy of the group, vows to make up for his past sins and become a better man. "This powerful, emotionally realistic book is the first of Shay's new trilogy about the men and women who put their lives on the line every day and how that dedication and commitment affect all those around them. Poignant and compelling, this novel reinforces Shay's well-earned reputation as a first-rate storyteller." Shelley Mosley, American Library Association. "A superb contemporary romance that grabs you in the prologue and won't let go until you've read the final page. Bravo, Ms. Shay!" The Romance Readers Connection
