## **Epidemia de Melancolía (Spanish Edition) Tony Sandoval**

Novela gráfica de Editorial Resistencia. "...Tony Sandoval no posee influencia del manga japonés, ni del comic norteamericano. No posee la obsesión por los temas heroicos, ni por los temas políticos. Es una excepción a todo. Una maravillosa excepción. ...Con Tony Sandoval uno puede esperar la misma magia en su prosa que tuvo William Blake, pero ilustrado por el mismo Matthias Grünewald...No lo sé... Pero en su apacible forma de ser, se ha adentrado a lo más profundo de "la visión más real del horror". Y salido de ella, melancólicamente".
