Philip Kerr

**Field Gray: A Bernie Gunther Novel** Philip Kerr

**Philip Kerr delivers a novel with the noir sensibility of Raymond Chandler, the realpolitik of vintage John le Carré, and the dark moral vision of Graham Greene.**

"Bernie Gunther is the most antiheroic of antiheroes in this gripping, offbeat thriller. It's the story of his struggle to preserve what's left of his humanity, and his life, in a world where the moral bandwidth is narrow, satanic evil at one end, cynical expediency at the other."

-Philip Caputo, author of *A Rumor of War*

"A thriller that will challenge preconceptions and stimulate the little grey cells."

-*The Times* (London), selecting *Field Gray* as a Thriller of the Year

"Part of the allure of these novels is that Bernie is such an interesting creation, a Chanderlesque knight errant caught in insane historical surroundings. Bernie walks down streets so mean that nobody can stay alive and remain truly clean."

-John Powers, *Fresh Air* (NPR)

Bernie on Bernie: *I didn't like Bernhard Gunther very much. He was cynical and world-weary and hardly had a good word to say about anyone, least of all himself. He'd had a pretty tough war . . . and done quite a few things of which he wasn't proud. . . . It had been no picnic for him since then either; it didn't seem to matter where he spread life's tartan rug, there was always a turd on the grass.*

Striding across Europe through the killing fields of three decades-from riot-torn Berlin in 1931 to Adenauer's Germany in 1954, awash in duplicitous "allies" busily undermining one another-*Field Gray* reveals a world based on expediency, where the ends justify the means and no one can be trusted. It brings us a hero who is sardonic, tough-talking, and cynical, but who does have a rough sense of humor and a rougher sense of right and wrong. He's Bernie Gunther. He drinks too much and smokes excessively and is somewhat overweight (but a Russian prisoner-of-war camp will take care of those bad habits). He's Bernie Gunther-a brave man, because when there is nothing left to lose, honor rules.
