The Country Almanac of Housekeeping Techniques That Save You Money: Folk Wisdom for Keeping Your House Clean, Green, and Homey Richard Freudenberger

"The Country Almanac of Housekeeping Techniques That Save You Money is an empowering book that shows us all how to live healthier and greener, save money, take care of our homes and yards, and do it all ourselves! It would make a great gift for any homeowner."—Brigitte Mars, www.brigitemars.com, co-author of *The Country Almanac of Home Remedies*

Our forefathers and mothers knew how to keep their homes clean and homey—and live richer while spending less. Many of today's products are expensive, bad for the environment, and don't work any better than Grandma's methods, which only cost pennies.

The editors at *Back Home Magazine* have collected hundreds of formulas for effective cleaning, gardening, and home maintenance—as well as ways our ancestors saved on heating bills, prevented costly repairs, and maintained a cozy, charming home with little besides ingenuity.

Drawing on the advice and techniques of contributors across the country, this indispensable guide shows you the best ways to take care of everything in your home from wood floors, to tile, to stainless steel appliances--and how to get the longest life out of every household item from pots and pans to pillowcases.

The Country Almanac of Housekeeping Techniques That Save You Money is chock-full of solutions, recipes, and how-to projects for living a simpler, cleaner life and keeping your home beautiful.
