**It's graduation day, and Maddie and her friends are movin' on up—finally!**

There are only a few weeks left of seventh grade, and no one can concentrate. Maddie and her friends still have to get through one more science project, and Maddie has been teamed up with her nemesis, Poison Ivy. Then there's the end-of-the-year musical and locker clean-out.

Through it all, Maddie finds herself daydreaming more than usual. Her relationship with Hart has been great—but will that change now that seventh grade is over? Luckily there's enough going on around Madison to keep her busy, including a party thrown by her mom. It's been a long year at Far Hills Junior High, but there's one thing that won't change: Fiona and Aimee will be Maddie's besties forever!

*Friends till the End* takes place after the Files of Madison Finn, Book 22: *All Shook Up*.
