Disseminada por todo o Estado de São Paulo, a Universidade Estadual Paulista (UNESP) apresenta características bastante peculiares e desempenha um papel fundamental no dinamismo econômico das cidades onde seus campi estão instalados. Basta citar que os serviços ligados ao trabalho acadêmico efetuado nas 25 unidades da UNESP aqui estudadas contribuíram, em 2001, para manter 7.500 empregos diretos e injetaram na economia desses municípios aproximadamente R\$ 650 milhões. Este livro apresenta os resultados do impacto econômico e financeiro da presença da UNESP em 14 municípios do Estado de São Paulo. A pesquisa dimensiona, com dados de 2001, o montante de recursos monetários movimentados pelas unidades universitárias da UNESP neles existentes, avaliando a importância da circulação desses recursos para as cidades onde os campi estão instalados.
