## When war threatens, hope will keep them alive

In 1939, with the war having been declared, evacuees arrive in the small Welsh seaside town of St David's Wells. When Eirlys Price convinces her parents to take in three young children, she never imagined it could lead to shocking family revelations which threaten all her future plans. Amidst homesickness, local gossip and the challenges of wartime, the community must pull together and wait until summer, when the town will come alive in all its seasonal glory...
