Don't Make Me Count to Three! - Study Guide Ginger Plowman Hubbard

A Six Week Study Guide to review the heart oriented parenting material discussed in the book "Don't Make Me Count to Three!"

From the Introduction:

"There is no such thing as perfect parenting. There are no parenting books, charts or three step plans that hold the key to transforming us into flawless parents, or our offspring into perfect children. There is, however, a Savior that forgives our mistakes, covers our imperfections, and deems us faultless when we admit our inadequacies and cry out to Him for help. Striving to be the perfect parent may seem a noble endeavor, but it plants our feet on the sinking sand of self-reliance....We must fully rely on the grace and righteousness of God for the character development, outcome, and very souls of our children."
