## **From Book 1:**

As Hitler's armies march into Europe, Eddie Dawson, an explosives expert and somewhat reluctant lance-corporal in the Royal Engineers, is sent to France on an assessment mission that seems straight-forward enough.

His task completed, he anticipates an early return to Britain, but instead he's sent to the Saarland region, where the French have launched an ill-advised invasion into German territory. Dawson's demolition skills are needed to clear a way through a minefield.

Within hours everything goes wrong and Dawson and a fellow sapper are caught on the wrong side of the front line. Their obvious escape route blocked, they head north, but their troubles have only just begun...

*To Do or Die* is the first in a series of exciting adventure novels set in the Second World War, a time of heroes, acts of outlandish bravery and brutal hand-to-hand combat.
