Golf A Good Walk and Then Some

John Jenchura

Golf A Good Walk and Then Some John Jenchura

This is the first complete history of the game since the classic book, *The Story of American Golf* by Herbert Warren Wind, which was published in 1975. *Golf A Good Walk & Then Some* is a detailed history of the game, from its precursors that range all the way back to the Romans in 300 A.D., to the European continent, to Scotland, and then across the Atlantic to the United States. Accompanying this treatment are appendices that list golf's individual Major championships going back to the Open Championship in 1860 and provide year-by-year information on the winners, winning scores and venues. The author provides a compilation of similar information for the Ryder, Presidents, Walker, Solheim and Curtis Cups.

Golf A Good Walk & Then Some is a thorough and concise history of golf, its championships, and its competitions. It is a book that will satisfy not only the fan who wants an overview of golf's history but also the history buff who wants a thorough treatment. Legendary Gary Player, who penned the foreword, described this seminal work quite accurately when he wrote: When you read this book, you will come away knowing that there is much more to the game than just playing it it's the game and then some.
