## **Keeping the Ten Commandments** J. I. Packer

They're often mistakenly considered God's "rules"-his outdated list of do's and don'ts that add up to a guilt-ridden, legalistic way of life. But as beloved author and Bible scholar J. I. Packer probes the purpose and true meaning of the Ten Commandments, you'll discover that these precepts can aptly be called God's blueprint for the best life possible. They contain the wisdom and priorities everyone needs for relational, spiritual, and societal blessing-and it's all coming from a loving heavenly Father who wants the best for his children.

Not only does Packer deliver these truths in brief, readable segments, but he includes discussion questions and ideas for further study at the end of each chapter. This book will challenge you to view the commandments with new eyes and help you to understand-perhaps for the first time-the health, hope, and heritage you're offered there.
