**No-Nonsense Finance** Errold Moody

**Today's most powerful personal finance website transfers its take-no-prisoners approach to the printed page**

Errold Moody and his website [efmoody.com](http://efmoody.com) have gained a substantial grassroots following --and praise from *Forbes*, *Business-Week*, *USA Today*, and others--for their straight-talking approach and hands-on guidance in all areas of personal finance.

*No-Nonsense Finance* brings the website's wealth of information to a concise yet comprehensive guidebook, outlining a commonsense program for saving regularly, investing wisely, and resisting the impulse to buy unnecessary products and advice.

From showing readers how to find advisers they can trust to dispelling myths about asset allocation, dollar-cost averaging, and more, *No-Nonsense Finance* is the ideal financial reference. Readers will enjoy, and profit from, Moody's irascible, often irreverent advice, including:

- Why one should never buy stocks from a stockbroker
- Basic estate planning issues demystified
- "Caveat Investor" sidebars to highlight key points
