**Public Faith in Action: How to Think Carefully, Engage Wisely, and Vote with Integrity** Miroslav Volf, Ryan McAnnally-Linz

**"Wise, measured, and refreshingly concrete"**

"A concise, readable, theologically informed guide for Christian political engagement, this book deftly integrates relevant biblical principles and contemporary data, summarizes the key issues at stake, and points to important additional reading. An excellent contribution to the rapidly growing body of work on how Christians can engage politics in a faithful way."

--**Ron Sider**, president emeritus, Evangelicals for Social Action

"The question isn't *whether* you'll live out a public faith but *how*. In this wise, measured, and refreshingly concrete discussion, Volf and McAnnally-Linz encourage Christians to be active, thoughtful contributors to the 'life together' that is society. The book is unapologetically convicted, but it makes room for the global realities that demand different responses and creates space for Christians to come to different prudential conclusions. Here is an antidote to polarization."

--**James K. A. Smith**, Calvin College; author of *You Are What You Love: The Spiritual Power of Habit*; editor of *Comment* magazine

"Miroslav Volf and Ryan McAnnally-Linz's volume achieves its aims: opening up a series of serious questions that are a matter of public debate in a pluralistic society, while exhorting Christians to responsibly explore the answers through the lens of faith."

--**Stephanie Summers**, CEO, Center for Public Justice

"The world needs our active Christian faith more now, perhaps, than ever. *Public Faith in Action* provides a deeply thoughtful model for how we as Christians might work out our faith for the glory of God and the flourishing of communities and people. One needn't agree with every application here in order to be instructed, challenged, and inspired by this call to commitment, conviction, and character as we strive to serve a suffering world faithfully and well."

--**Karen Swallow Prior**, author of *Booked: Literature in the Soul of Me* and *Fierce Convictions: The Extraordinary Life of Hannah More--Poet, Reformer, Abolitionist*
