The Shamanic Wisdom of the Huichol: Medicine Teachings for Modern Times Tom Soloway, Ph.D. Pinkson

True account of a decade-long apprenticeship with Huichol shamans in the Mexican Sierra Madre

- Contains an insider's view of the Huichol's shamanic spiritual practices, including their ritual use of peyote
- Offers the Huichol path to sustainable healing for individuals and our planet

Never conquered by Europeans, the Huichol--known for their use of peyote in spiritual ceremonies--have thoroughly retained their ancient way of life. Growing from a deeply rooted respect and reverence for the natural world, the Huichol's shamanic spiritual practices focus on living life in harmony with all living things and offer a path to a truly sustainable future.

The Shamanic Wisdom of the Huichol is the autobiographical account of Pinkson's decade-long immersion in the shamanic traditions of the Huichol tribes of the Sierra Madre in Mexico. From his first Huichol pilgrimage to Wiricuta (their sacred homeland) in 1981 to searching the desert for the heart medicine of peyote, Pinkson's account of his initiation into the medicine teachings of the Huichol brings new life to this ancient eco-centric tradition. Providing a guiding light for those who seek to become part of the solution to our planet's ecological challenges, Pinkson empowers readers to choose their own path toward healing both on a personal and a planetary level.
