This is probably the most widely read collection of daily readings from the Bible ever published, and it is presented in this edition in the words of The New International Version (North American Edition). For three generations, Daily Light on the Daily Path has been a classic religious work, and it has gone through a countless number of printings. It was compiled by the descendants of the London bookseller, Samuel Bagster. Bagster's grandson, Robert, who died in 1924, wrote of the origins of this book, "Daily Light on the Daily Path was prepared entirely within the family. Few are able to appreciate the heart-searching care with which every text was selected, the days, nay the weeks of changes, alterations and improvements, until at last each page was passed to the printer." Here are two selections of Bible readings for every day in the year -- for Morning and Evening.
