## **Northern Ireland: A Walking Guide** Helen Fairbairn

This revised guide presents top-class walking routes in Northern Ireland. From rugged mountain peaks to spectacular coastal scenery, from challenging hill walks to shorter woodland and waterside excursions, there is something for everyone. Every part of the region is covered, from the mountains of Mourne to the Giant's Causeway, from Fermanagh's 'lake district' to the rolling Sperrins. Routes vary from two-hour strolls to eight-hour upland challenges.

Much thought has gone into making this guide easy to use: each route, prefaced with a quick-reference summary, is illustrated with a clear sketch map; descriptions include detailed access information while points of interest are highlighted – flora and fauna, history, archaeology and folklore. A compact region with huge scenic variety, Northern Ireland is ideal for walking yet is often overlooked. This authoritative guide is changing that, using the author's enthusiasm and knowledge.
