## The European Parliament and its International Relations (Routledge Advances in European Politics)

Following the Lisbon Treaty, the powers of the European Parliament in external relations have gradually expanded and it is increasingly influencing the foreign policy of the European Union.

This book analyses the role of the European Parliament as an international actor and presents a new debate about its role outside the EU territory. It explores different policy areas including human rights, international aid, trade, crisis management and the environment to provide a systematic analysis of the modern global role of the European Parliament. The book also considers the European Parliament's regional interactions with Africa, Latin America, the United States, Asia and the Middle East. With a common analytical framework and research covering the lifespan of the European Parliament from its first direct elections in 1979 to the present day, this comprehensive volume presents an unparalleled analysis of one of the most important institutions in the European Union.

This book will be of interest to students and scholars of European Union politics and institutions, European policy, government, international relations and European history.

#### **Joshua Matthews:**

As a college student exactly feel bored to help reading. If their teacher expected them to go to the library or to make summary for some reserve, they are complained. Just small students that has reading's soul or real their passion. They just do what the teacher want, like asked to go to the library. They go to at this time there but nothing reading significantly. Any students feel that studying is not important, boring and also can't see colorful pics on there. Yeah, it is for being complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we really wish for. Likewise word says, ways to reach Chinese's

country. So , this The European Parliament and its International Relations (Routledge Advances in European Politics) can make you sense more interested to read.
