The Prince Next Door Sue Civil-Brown

When Serena Gregory's clothing-optional Caribbean cruise fell through at the last minute, the thrill-seeking dermatologist decided that helping Darius Maxwell, her mysterious new neighbor—who might or might not be a crown prince—commit a felony would be a worthwhile alternative. Yes, it would involve clothes—for the most part—but the risk of skin cancer would be drastically reduced. Not to mention she'd be helping to secure the future of an entire European country...that she'd never even heard of.

That's how Serena wound up over her head in trouble when she should have been next to naked in paradise—and risking her career and cold, hard jail time for a man she'd only just met!

From reader reviews:

Leslie Marcellus:

Reading a guide tends to be new life style within this era globalization. With examining you can get a lot of information that could give you benefit in your life. With book everyone in this world can share their idea. Textbooks can also inspire a lot of people. Lots of author can inspire all their reader with their story as well as their experience. Not only the storyplot that share in the textbooks. But also they write about the data about something that you need example. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book that you can get now. The authors nowadays always try to improve their expertise in writing, they also doing some research before they write to their book. One of them is this The Prince Next Door.

Brenda Taylor:

Spent a free time to be fun activity to do! A lot of people spent their spare time with their family, or their own friends. Usually they accomplishing activity like watching television, gonna beach, or picnic within the park. They actually doing ditto every week. Do you feel it? Would you like to something different to fill your free time/ holiday? Can be reading a book might be option to fill your totally free time/ holiday. The first thing you will ask may be what kinds of publication that you should read. If you want to test look for book, may be the publication untitled The Prince Next Door can be fine book to read. May be it can be best activity to you.

Patrick Stokes:

The reason? Because this The Prince Next Door is an unordinary book that the inside of the publication waiting for you to snap this but latter it will zap you with the secret the idea inside. Reading this book beside it was fantastic author who all write the book in such awesome way makes the content interior easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you for not hesitating having this any longer or you going to regret it. This excellent book will give you a lot of rewards than the other book have such as help improving your expertise and your critical thinking method. So , still want to delay having that book? If I had been you I will go to the book store hurriedly.

Al Fraire:

Playing with family in a very park, coming to see the water world or hanging out with friends is thing that usually you may have done when you have spare time, and then why you don't try matter that really opposite from that. One particular activity that make you not sensation tired but still relaxing, trilling like on roller coaster you have been ride on and with addition of information. Even you love The Prince Next Door, you may enjoy both. It is very good combination right, you still wish to miss it? What kind of hangout type is it? Oh can happen its mind hangout people. What? Still don't obtain it, oh come on its identified as reading friends.
