The Science For Conservators Series: Volume 1: An Introduction to Materials: 001 (Heritage: Care-Preservation-Management) The Conservation Unit Museums and Galleries Commission

For more than ten years, *The Science for Conservators Series* has provided the key basic texts for conservators throughout the world. Scientific concepts are basic to the conservation of artefacts of every type, yet many conservators have little or no scientific training. These introductory volumes provide non-scientists with the essential theoretical background to their work.
