The inside story of DX, otherwise known as, D Generation-X, from their formation to today told by the men who created it.

DX is generally considered one of the most popular factions in professional wrestling history, not to mention, one of the most notable. D-Generation X, as they were also known, headed by Triple H and Shawn Michaels and had a changing roster of rebels who did whatever they wanted, whenever, wherever- regardless of the ultimate outcome.

Created as a way for two friends to work together, the clique became so popular that other wrestlers joined, and DX became one of the factions in WWE climbing back to the top and putting Ted Turner's WCW out of business.
