Alpha Goddess Amalie Howard

In Seraphine Caelum's world, gods exist. So do goddesses. Sera knows this because she is one of them. A secret long concealed by her parents, Sera is Lakshmi reborn, the human avatar of an immortal Indian goddess rumored to control all the planes of existence—Illysia (the Light Realm), Earth (the Mortal Realm), and Xibalba (the Dark Realm). Marked by the sigils of both heaven and hell, Sera's avatar is meant to bring balance to the mortal world, but all she creates is chaos. A chaos that Azrael, the Asura Lord of Death, hopes to use to unleash hell on earth.

Torn between reconciling her past and present, Sera must figure out how to stop Azrael before the Mortal Realm is destroyed. But trust doesn't come easy in a world fissured by lies and betrayal. Her best friend Kyle is hiding his own dark secrets, and her mysterious new neighbor, Devendra, seems to know a lot more than he's telling. Struggling between her opposing halves and her attraction to the boys tied to each of them, Sera must become the goddess she was meant to be, or risk failing, which means sacrificing the world she was born to protect.

Retellings of classic fairy tales and Greek myths are becoming staples in the YA and adult fiction genres, and now Amalie Howard, author of the popular *Bloodspell*, brings the myth of Rama and Sita's love story to an exciting new level. Howard's stunningly fresh voice and imaginative characters promise to make *Alpha Goddess* an exciting addition to the young adult fiction world. Aimed at readers ages 13 to 17, both girls and boys will relate to Sera's and Kyle's realistic teen persona and dilemmas while learning more about a famous Hindu myth.

Sky Pony Press, with our Good Books, Racehorse and Arcade imprints, is proud to publish a broad range of books for young readers—picture books for small children, chapter books, books for middle grade readers, and novels for young adults. Our list includes bestsellers for children who love to play Minecraft; stories told with LEGO bricks; books that teach lessons about tolerance, patience, and the environment, and much more. While not every title we publish becomes a *New York Times* bestseller or a national bestseller, we are committed to books on subjects that are sometimes overlooked and to authors whose work might not otherwise find a home.

From reader reviews:

Elliot Weber:

Spent a free time and energy to be fun activity to perform! A lot of people spent their down time with their family, or all their friends. Usually they accomplishing activity like watching television, about to beach, or picnic inside park. They actually doing same task every week. Do you feel it? Do you wish to something different to fill your free time/ holiday? May be reading a book may be option to fill your no cost time/ holiday. The first thing you will ask may be what kinds of guide that you should read. If you want to consider look for book, may be the publication untitled Alpha Goddess can be fine book to read. May be it may be best activity to you.

Dolores Young:

This Alpha Goddess is great guide for you because the content and that is full of information for you who else always deal with world and have to make decision every minute. This specific book reveal it facts accurately using great organize word or we can claim no rambling sentences inside it. So if you are read it hurriedly you can have whole information in it. Doesn't mean it only offers you straight forward sentences but difficult core information with attractive delivering sentences. Having Alpha Goddess in your hand like keeping the world in your arm, details in it is not ridiculous one. We can say that no book that offer you world with ten or fifteen small right but this reserve already do that. So , this can be good reading book. Hi Mr. and Mrs. hectic do you still doubt in which?

Kathryn Cortez:

Reading a book for being new life style in this yr; every people loves to read a book. When you examine a book you can get a wide range of benefit. When you read guides, you can improve your knowledge, since book has a lot of information upon it. The information that you will get depend on what forms of book that you have read. If you want to get information about your examine, you can read education books, but if you want to entertain yourself look for a fiction books, this kind of us novel, comics, and also soon. The Alpha Goddess provide you with a new experience in studying a book.

Susan Arnold:

Don't be worry when you are afraid that this book may filled the space in your house, you can have it in e-book way, more simple and reachable. This Alpha Goddess can give you a lot of friends because by you investigating this one book you have thing that they don't and make you actually more like an interesting person. This specific book can be one of one step for you to get success. This book offer you information that possibly your friend doesn't know, by knowing more than different make you to be great persons. So , why hesitate? We need to have Alpha Goddess.
