El diablo se llama Trotsky (Spanish Edition) Rius

Lo único que los mexicanos sabemos sobre Trotsky es que era un comunista ruso, amigo de Diego y Frida, asesinado hace muchos años en su casa de Coyoacán. Para llenar nuestras lagunas de información sobre este importantísimo personaje, ligado a México en muchos sentidos, Rius decidió escribir este libro, anteponiéndole en el título el calificativo de "diablo", lo que implica que el personaje fue polémico. Tan fue así que Stalin, el dictador soviético, decidió desterrarlo, perseguirlo después y asesinarlo.

Consiguió hacerlo en nuestro país. Rius nos cuenta la vida de Trotsky, al igual que su lucha política y militar al lado de Lenin, con quien planeó y ejecutó la Revolución rusa. También ahonda en su posición radical, cercana al anarquismo, y nos explica por qué se opuso a Stalin y cómo intentó combatir su dictadura, lo que le costó la vida.

Un libro de historia del siglo XX al estilo Rius.
