Establishment and Maintenance of Hay Fields - With Information on Methods of Land Preparation, Sowing, Mowing and Hay-making F. H. Storer

This early work on hay field maintenance is both expensive and hard to find in its first edition. It contains details on the methods of land preparation, sowing, mowing, hay-making and much more. This is a fascinating work and is thoroughly recommended for anyone interested in the techniques of the agricultural industry. Many of the earliest books, particularly those dating back to the 1900s and before, are now extremely scarce. We are republishing these classic works in affordable, high quality, modern editions, using the original text and artwork.
