Iustitia Dei: A History of the Christian Doctrine of Justification

Alister E. McGrath

Iustitia Dei: A History of the Christian Doctrine of Justification Alister E. McGrath

The Christian doctrine of justification is of immense interest to historians and theologians, and continues to be of major importance in modern ecumenical discussions. The present work appeared in its first edition in 1986, and rapidly became the leading reference work on the subject. Its many acclaimed features include a detailed assessment of the semantic background of the concept in the ancient Near East, a thorough examination of the doctrine of the medieval period, and especially careful analysis of its development during the critical years of the sixteenth century. The third edition thoroughly updates the work, adding material where necessary, and responding to developments in scholarly literature. It will be an essential resource for all concerned with the development of Christian doctrine, the history of the Reformation debates on the identity of Christianity, and modern discussions between Protestants and Roman Catholics over the nature of salvation.
