The Last City: The Demon War Chronicles 1 Nina D'Aleo

An intoxicating blend of noir crime, science fiction and fantasy, *The Last City* is *Blade Runner* meets *Perdido Street Station*.

Scorpia - the last city of Aquais - where the Ar Antarians rule, the machine-breeds serve and in between a multitude of races and species eke out an existence somewhere between the ever-blazing city lights and the endless darkness of the underside.

As a spate of murders and abductions grip the city, new recruit Silho Brabel is sent to the Oscuri Trackers, an elite military squad commanded by the notorious Copernicus Kane. But Silho has a terrible secret and must fight to hide her strange abilities and monstrous heritage.

As the team delve deeper into Scorpia's underworld, they discover a nightmare truth.

Hunted by demons, the Trackers must band together with a condemned fugitive, a rogue wraith and a gangster king and stake their lives against an all-powerful enemy to try to save one another and their world.

The Last City is the first book in The Demon War Chronicles. The second book, *The Forgotten City* is available now.
