**A Return to Values: A Conservative Looks at His Party (Speaker's Corner)** Bob Beauprez

Acknowledging that the Republican Party's compass is askew, former congressman Bob Beauprez makes the case for the GOP to return to its founding values and principles. Analyzing the successes, failures, and lost opportunities of the Republican-controlled Congress and White House, Beauprez identifies several crumbling foundations that led to the election defeats in 2006—including his own. He explains his own guiding principles by drawing upon his real-world experience to examine why he became both a conservative and a Republican, reaching the conclusion that trust from voters must be earned through substantive action, not bought by empty political rhetoric.
