Si *El Castillo de Cristal* nos conmovió con la fortaleza y las ganas de vivir de los niños de la familia Walls, en esta precuela es Lily Casey Smith, su abuela, quien nos brinda su tenacidad y perseverancia ante las dificultades que atravesó en el camino de su vida.

***Caballos salvajes* nos descubre los orígenes de la disfuncional familia Walls.**

Heroína y pionera en el Lejano Oeste americano, Lily Casey Smith vivió durante sus casi primeros diez años en una caseta del desierto de Texas. A pesar de la extrema pobreza en que subsistía con sus padres, no tardó en convertirse en una joven maestra de un pueblo situado a 28 días a caballo, lo que supondría el principio de una sucesión de desafíos en una tierra de promesas y a la vez de grandes adversidades.

Tras casarse con un hombre bígamo, lo abandona para irse con otro hombre dueño de un rancho con el que tiene dos hijos -uno de ellos es Rose Mary Walls, la madre de *El castillo de cristal*-, y durante todo este tiempo se convertirá en jinete de rodeo, en domadora de caballos, en una despiadada jugadora de póquer y hará lo imposible porque ella y su familia sobrevivan, con su afán de superación y su encendida defensa de la libertad de la mujer a principios del siglo XX.

Jeannette Walls quería escribir sobre la infancia de su madre, pero la vida de su abuela terminó imponiéndose. Al final, todo tiene una explicación...

Reseña:

«Walls recibió el mejor regalo que se le puede hacer a una escritora: una familia disfuncional empaquetada con excentricidades. [...] *Caballos salvajes* es el cuento de otra sardónica pariente de espíritu libre: su abuela materna Lily Casey Smith».

USA Today

«Un libro excelente... Walls tiene verdadero talento para contar historias.»

Publishers Weekly

«Walls ha pasado a formar parte de ese excepcional grupo de escritores como Mary Karr y Frank McCourt (*Las cenizas de Ángela*), capaces de transformar sus memorias de una infancia terrible en excelente literatura.»
