La sociología económica (Libros de Síntesis) (Spanish Edition)

Philippe Steiner

La sociología económica (Libros de Síntesis) (Spanish Edition) Philippe Steiner

Este libro constituye un manual de referencia, tanto académico como profesional, por su ambicioso contenido, su cuidada estructura y su empeño pedagógico, al tiempo riguroso y accesible. Desde sus orígenes, la sociología considera los comportamientos, las acciones y las instituciones económicas como cuestiones centrales de su estudio e intervención. Ya la economía clásica se ocupaba de la desigualdad, los fundamentos del valor o los límites éticos de la acción económica. Frente a la historia inestable de la relación economía sociología, este texto apuesta por la necesaria convergencia de miradas sociológica y económica a partir del análisis conjunto de la lógica y el funcionamiento de las instituciones, las redes sociales y los comportamientos económicos, los procesos de conformación del mercado y del intercambio, el consumo, la competencia, los vínculos sociales, los mercados financieros o los usos sociales del dinero.

Philippe Steiner, profesor de la Université Paris-Sorbonne, aúna en esta publicación el resultado del trabajo de años de cuidadosa selección de referentes, experiencia docente y contraste dialógico con sus alumnos.
