Living a Purpose-Full Life: What Happens When You Say Yes to God Jan Johnson

Women crave a sense of purpose. They yearn to know that their efforts will impact other people's lives. Experts urge them to say "no" to the things that drain or distract them—yet, even as women struggle to maintain a sense of control, they long to discover the calling to which their hearts must joyously respond: "Yes!" That longing, explains author Jan Johnson, can be satisfied only when a woman discovers—and lives out—her God-given purpose.

God's call on a woman's life isn't meant to remain a mystery. More than a role, a spiritual gift, or a job she loves, finding her purpose is about knowing who she is: God's woman in this world. Within these pages readers will discover what purpose in life is, why they need it, and how they can find it. Best of all, each woman will simplify her life by focusing on the things that matter most to her *and* God, as she becomes the woman he desires her to be.
