Mujeres masonas en España (Escuadra y Compás) (Spanish Edition) María Natividad Ortiz Albear

El mundo masónico femenino siempre había estado inmerso en las sombras del desconocimiento histórico. En el periodo que abarca este trabajo (1868-1939) las masonas en España se movían entre la irregularidad y la inestabilidad. Sin embargo, a pesar de la prohibición expresa que pesaba sobre su ingreso en la Orden, muchas mujeres fueron iniciadas en las logias, a veces formando talleres exclusivamente femeninos, pero en otras ocasiones en condiciones de igualdad con sus hermanos masones. Este libro se adentra en un particular universo masónico poblado por mujeres que se atrevieron a traspasar la frontera impuesta por los roles de género para conocer otros ámbitos y ampliar sus horizontes.

From reader reviews:

Floretta Simmons:

Information is provisions for individuals to get better life, information presently can get by anyone with everywhere. The information can be a expertise or any news even a huge concern. What people must be consider while those information which is in the former life are difficult to be find than now is taking seriously which one is acceptable to believe or which one the particular resource are convinced. If you receive the unstable resource then you get it as your main information you will have huge disadvantage for you. All those possibilities will not happen in you if you take Mujeres masonas en España (Escuadra y Compás) (Spanish Edition) as your daily resource information.

James Brady:

Reading a book tends to be new life style with this era globalization. With reading through you can get a lot of information that will give you benefit in your life. With book everyone in this world can certainly share their idea. Books can also inspire a lot of people. Many author can inspire their particular reader with their story or their experience. Not only situation that share in the publications. But also they write about the information about something that you need case in point. How to get the good score toefl, or how to teach your kids, there are many kinds of book which exist now. The authors on earth always try to improve their talent in writing, they also doing some analysis before they write with their book. One of them is this Mujeres masonas en España (Escuadra y Compás) (Spanish Edition).

Melody Herrera:

A lot of people always spent their own free time to vacation or go to the outside with them friends and family or their friend. Were you aware? Many a lot of people spent they will free time just watching TV, or perhaps playing video games all day long. In order to try to find a new activity here is look different you can read a new book. It is really fun for yourself. If you enjoy the book that you simply read you can spent all day every day to reading a publication. The book Mujeres masonas en España (Escuadra y Compás) (Spanish Edition) it doesn't matter what good to read. There are a lot of those who recommended this book. These folks were enjoying reading this book. Should you did not have enough space to deliver this book you can buy often the e-book. You can m0ore very easily to read this book out of your smart phone. The price is not too expensive but this book offers high quality.

Jason Caldwell:

As a university student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some publication, they are complained. Just little students that has reading's internal or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading very seriously. Any students feel that examining is not important, boring in addition to can't see colorful photographs on there. Yeah, it is to get complicated. Book is very important

for yourself. As we know that on this age, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. So , this *Mujeres masonas en España (Escuadra y Compás)* (Spanish Edition) can make you feel more interested to read.
