Political Thought: A Student's Guide (Reclaiming the Christian Intellectual Tradition) Hunter Baker

Politics affect everyone everywhere. Yet most people do not know how to communicate or think methodically (much less unemotionally) about the issues at hand. What we need is for our thinking to be grounded in the basic framework of order, freedom, justice, and equality.

Award-winning professor Hunter Baker helps political amateurs gain a foundational understanding of the subject and encourages seasoned political observers to find a fresh perspective in this book. Learn how to fruitfully consider and discuss politics, and gain a greater capacity for evaluating political proposals and the claims that go with them.
