Weather Permitting & Other Stories (Essential Prose) Pratap Reddy

The stories in this collection centre around new immigrants -- spirited people prepared to leave their home and hearth to travel to distant lands in pursuit of dreams of a better life. But often times there's a reality check, and they are left to grapple with unexpected challenges: cultural shock, lack of Canadian work experience and jobs, absence of affordable daycare, and non-recognition of their educational credentials. Despite this, the stories show the determination of these immigrants to survive on alien soil.
