John Brian

Ghosts of Pocatello: Haunted History from the Gate City (Haunted America) John Brian

From the Native American tribes who first inhabited the land to the gold rush prospectors who flocked to the burgeoning town in the 1860s, Pocatello's legacy is defined by fascinating historical figures and colorful characters. But many restless souls from the city's past refuse to fade quietly into history. Join author John Brian as he records the voices and visions that haunt Pocatello today. Whether it's the long-dead theater devotee who still attends shows at Frazier Hall, the specter of a woman who evaded a judge at the Bannock County Courthouse or the many spirits that haunt a farm built on sacred Shoshoni tribal land, this collection proves that the Gate City is flooded with ghosts.
