“Finding someone to finish a series after five novels from five different authors is no easy task. He’s got to be willing to find all the open roads the others have left for him. He’s got to do his homework, and quickly. And given the quality of his predecessors’ work, he’s got to be good . . . Enter Paul Kemp. Whew! Writers like this don’t come along every day.”

—R.A. Salvatore

*The New York Times* best-selling author of *The Two Swords*

### **THE SPIDER QUEEN LIVES AGAIN**

But something is different, something her priestesses can hear in the winds, feel in their spirits, and for a select few see with their own eyes. The Demonweb Pits, removed from the Abyss to take its place among the lower planes, is more dangerous, more horrifying than anyone has ever imagined. Teeming with feral spiders bent on ripping each other to pieces—killing, eating, and killing again—the blasted landscape of Lolth’s personal hell is still forming.

Quenthel Baenre, with the tattered remnants of her expedition continuing to plot against her, crosses that spider-infested killing ground in hopes of answering the call of her reborn goddess. If she can make it to Lolth’s side, can she even imagine what plans the Queen of the Demonweb Pits has had for her all along?

The final novel in an epic six-part series from the fertile imaginations of R.A. Salvatore, and a select group of the newest, most exciting authors in the genre. Join them as they bring an end to a devastating war, and give birth to the greatest horror the Realms has ever known.

Danifae Yauntyrr, former battle-captive of House Melarn, has come too far to stop now. She has regained her freedom after years of servitude, but has yet to exact her revenge. Though she has gained much, grown in both power and ambition, and enjoys the protection of the powerful draegloth Jegged Baenre, Danifae still needs to kill Halisstra Melarn. But how can she when she’s followed Quenthel and Pharaun into the heart of Lolth’s reformed domain, a hellish world of demonic spiders bent on eating each other, and anything else stupid enough to get in their way—including the chosen vessel of Lolth herself.

While Danifae wonders how she’ll ever take vengeance on a woman she left behind on the surface of Faerûn, the very target of her burning hatred is close on her heals. Halisstra has come to the Demonweb Pits with a very different agenda. In her hands she holds the fabled Crescent Blade, a sword she believes will grant her the power to kill Lolth herself—but only if they find her before she fully completes her own mysterious

### **RESURRECTION**

The War of the Spider Queen comes to an end.

#### **Mike Edwards:**

As a university student exactly feel bored to help reading. If their teacher requested them to go to the library or to make summary for some guide, they are complained. Just small students that has reading's internal or real their interest. They just do what the educator want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that reading through is not important, boring and also can't see colorful pics on there. Yeah, it is being complicated. Book is very important to suit your needs. As we know that on this period, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. Therefore , this Resurrection: R.A. Salvatore Presents The War of the Spider Queen, Book VI (The War of the Spider Queen series 6) can make you really feel more interested to read.
